

SPARQL (and other) que(e)ries on libraries catalogs metadata and indexing vocabularies

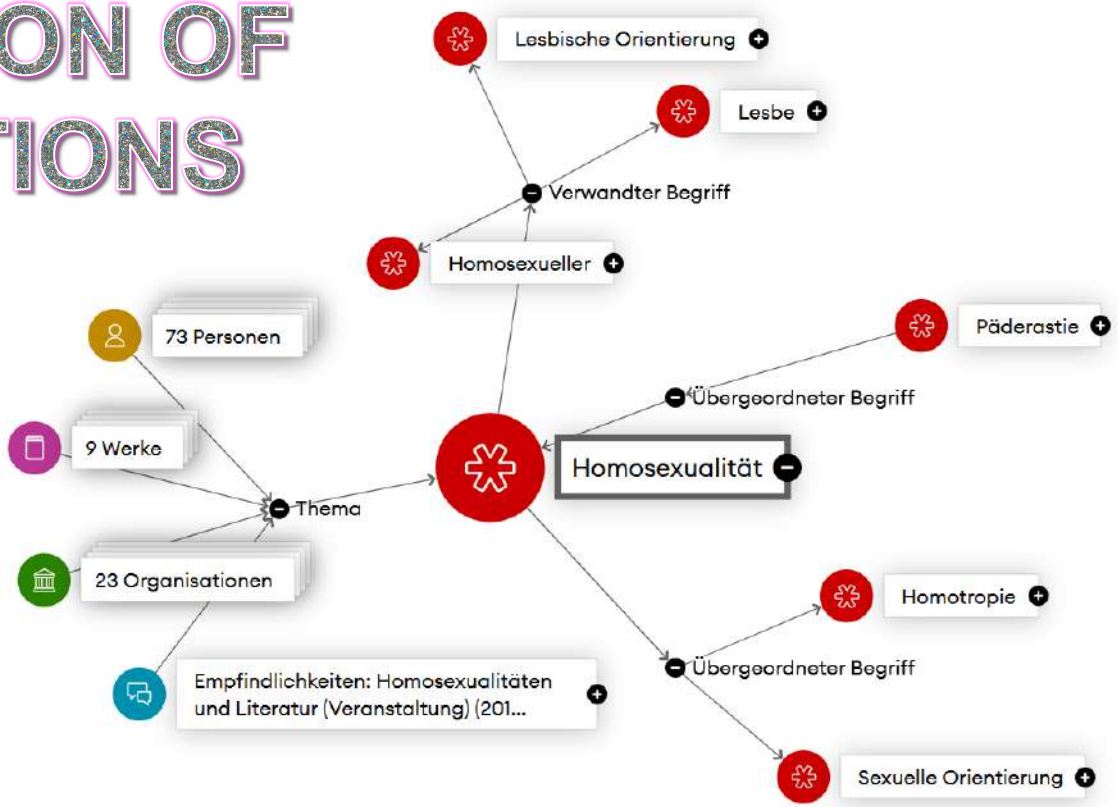

GLAMhack26 - 12-14 November 2026 - CAMPO Winterthur

CATALOGUING AND INDEXING LANGUAGES

- Libraries catalogs metadata
- Data visualisation
- Accessibility and intelligibility

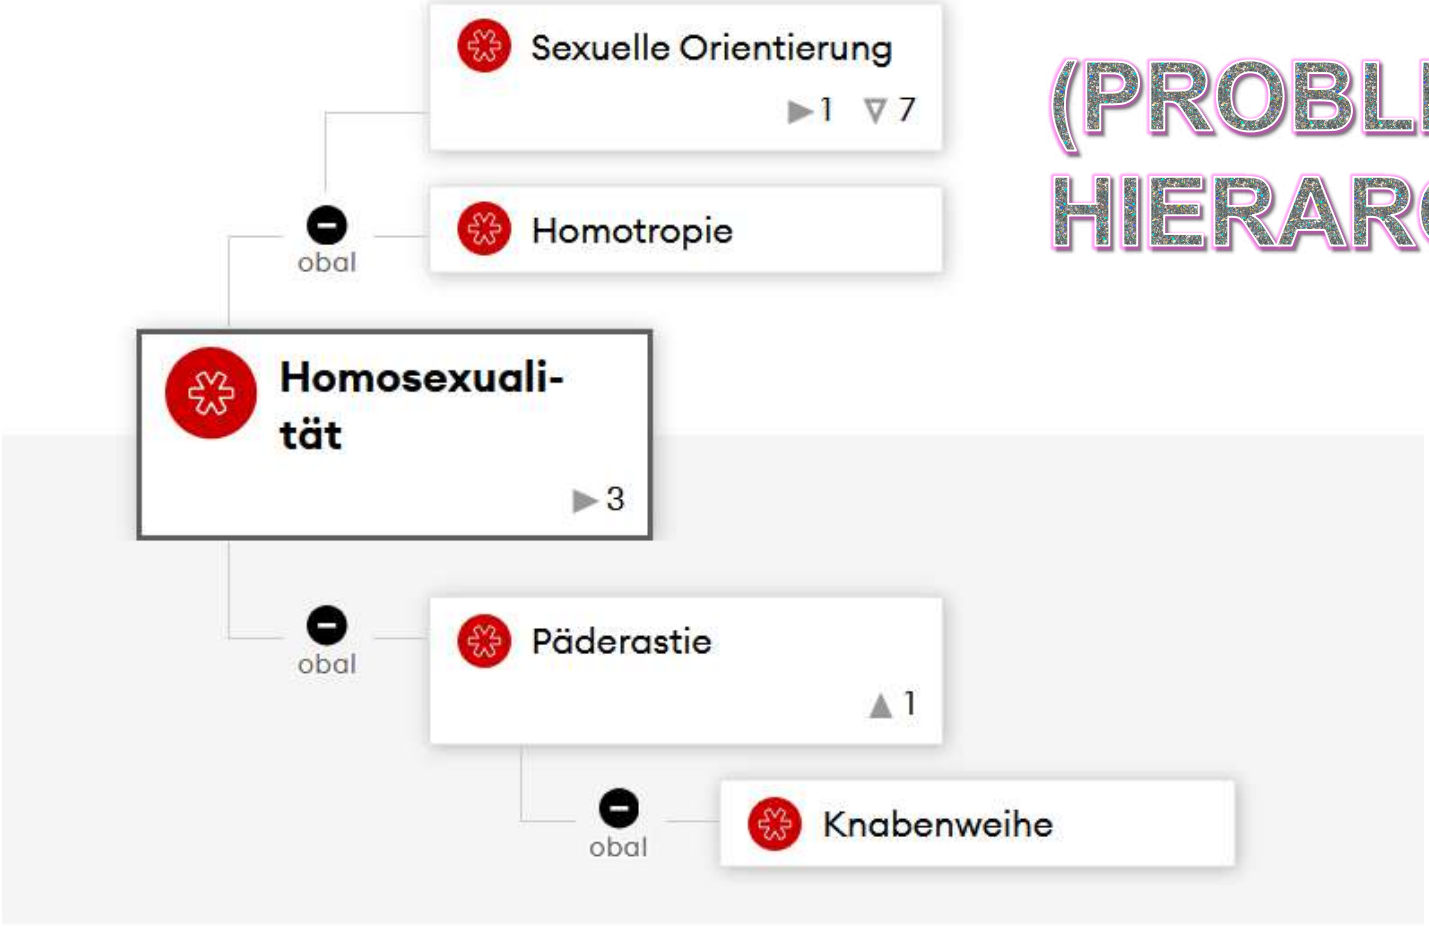

We’d like to work on some parts of the **swisscovery SLSP** catalog focusing on terms and resources regarding **queer identities and heritage**.

VISUALISATION OF TERM RELATIONS

Swiss Library Service Platform

WHO WE NEED?

- Catalogers, catalogs and library users, anyone interested in queer history and/or critical cataloguing, linguists, glitter lovers etc.
- Programmers, developers, 3D artists, techy persons!

Be sparkly and
GLAM with us!
