Legal Lens Platform

-  Platform registers legal topics of interest
-  Utilizes advanced technology to match users' interests with the latest court cases
-  Push notifications services for the newest matching court cases
-  Essential tool for staying up-to-date with legal developments across all courts.

1. Register Interests

Login to Legal Lens, register specific interest
“asylum cases for female activists from Southeast Asia”

2. Platform scans judgments

The platform automatically recognizes when a relevant or similar court decision has been issued (keywords and semantic analysis)

3. Receiving Updates

Email notification with a summary of the decision and a link to the full document to keep you up to date efficiently.
